Experience: Hi, my name is Jane Doe. I began working with preschoolers at my church, _____, several years ago after the director of preschool ministries requested more volunteers. I began helping with worship care, and now I also help with Vacation Bible School and other special programs for preschoolers.

Watching them play and learn together is always fun – you never know when they will start singing or laughing! It is amazing to be a part of teaching children about God. The way that the children soak up Bible stories reminds me of the verse Mark 10:15 that says, “I tell you the truth, anyone who will not receive the kingdom of God like a little child will never enter it.”

Last summer I was able to go on a mission trip to Bolivia. One of my responsibilities was to care for young children while the evangelism team was talking with their parents about salvation. I was nervous at first because I didn’t speak Spanish, _____ but after a while I realized that I didn’t have to talk. The children just wanted my attention and wanted to play – just like the children at my church.

I have a special place in my heart for foreign missions. I am really looking forward to more opportunities to serve. I plan on going on a mission trip to Belize over the summer with my youth group. We will have the opportunity to work with children and share with them about Jesus.

Parents: Mr. & Mrs. John (Sally) Doe
